53.000 members (average of 1000 euro capital)
 - **Promoting**
 - **Supplying** electricity to 44.000 clients: 85 GWh
Supplying wood pellets: 10.000 tons

Ecopower cvba

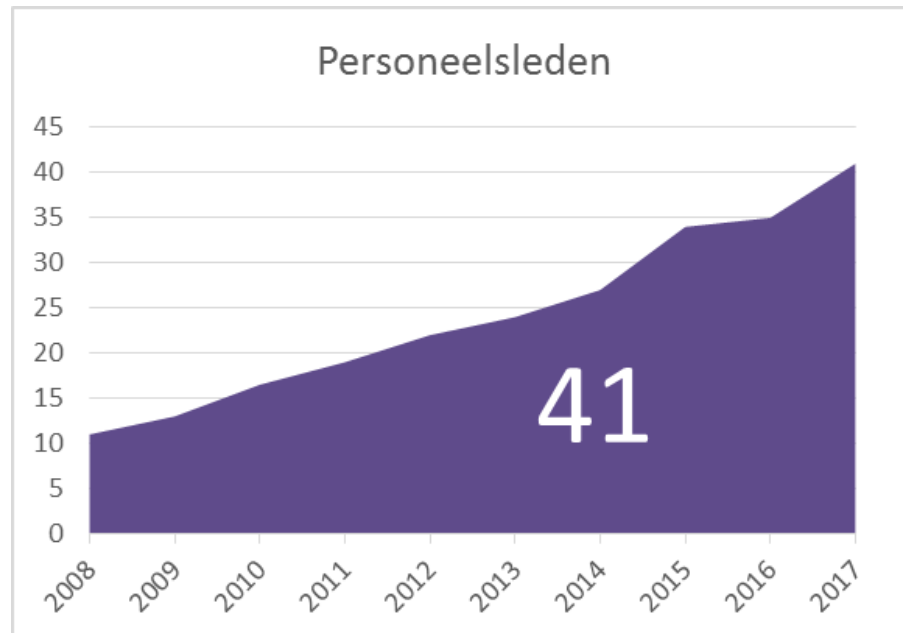

- 1991 - founded | 1999 - restart | 2003 - supply electricity

Energy cooperative

- Triggers for growth
 - Concrete project
 - Fiscal/financial motivation
 - Supplier

Network REScoop.eu

- First steps for a EU network in 2008
 - Learn from each other
 - Working together
 - Lobby together
- Together we are big

Network REScoop.eu

- Same motivation (ICA)
 - Energytransition payed by citizens
 - Taxes
 - Electricity price
 - Savings at the bank
- Cooperative members use less energy: REScoop Plus
- Cooperative windproject in municipalities lead to local action for energy savings

Network REScoop.eu

- EU cooperative for funding of larger projects or starters
- Shared business models (e.g. ARP)
